

Dosjebro 29/01/2025

The undersigned Dr. Martina Campo declares that the mare called Hambo D., UELN number 75200211S172046, is pregnant on the check performed on 29 January 2025.

The mare was inseminated by me on May 16, 2024 with the stallion Readly Express.

The mare looks healthy and in a good shape on examination with no signs of illness.

Reagrds.
